

WOMEN IN PROJECT MANAGEMENT (WIPM) - INTERNATIONAL WOMENS DAY

On the 6th of March over 90 women and men from a variety of industries in Adelaide met at the Stamford Plaza for wine, food and to get the answer to the following question "What's Your Biggest Career Lesson (and wish I had known)"?

'Life is complex and human behaviour is important' was SA Water's CEO, John Ringham's response' and 'play to your strengths' was the advice of Communicate's Managing Director, Kate Hannemann. An entertaining speech saw In-Business Magazine's Editor, Graham Wakeling remind us to 'trust your gut'. Communication was the common answer from both Niki Robinson, Senior Project Manager at Sinclair Knight Merz and Sharon Ferrier, Director of Persuasive Presentations. 'Know when to find an executive coach' was SA Water's Business and Strategy Manager, Amanda Sheedy's best advice. The event was an inspirational day and a lot of lessons learned by all. Thanks again to our event sponsors: SA Water, SKM and Clear Decisions.
